

adi_imu::ImuCovarianceInterface

```
graph BT; W[adi_imu::WelfordCovarianceProvider] --> I[adi_imu::ImuCovarianceInterface];
```

The diagram illustrates an inheritance relationship. A light gray box at the bottom represents the class `adi_imu::WelfordCovarianceProvider`. A blue arrow points upwards from this box to a white box at the top, which represents the interface `adi_imu::ImuCovarianceInterface`. This indicates that `WelfordCovarianceProvider` implements the `ImuCovarianceInterface`.
